Dear Devotee,

Trust this finds you in good health and spirit.

I am writing to you from Ramakrishna Math, Koyilandy, located in the state of Kerala. This is very small centre of the Ramakrishna Order, was started in 1915 by the Revered Swami Nirmalanandaji Maharaj, a contemporary and companion of Swami Vivekananda.

At present, I the undersigned and Two monastic brothers are the only inmate of the Math, taking care of all its activities.

Currently this Math is facing an absolute financial crisis to the extent that even basic day to day needs are at stake. The Math's infrastructure is also in a very dilapidated condition.

We are in ardent need of monetary assistance to help sustain the activities of the Math and to serve the community around us.

In view of the above context, I am attaching herewith an appeal for liberal donations and very humbly request you to join hands with us in developing this very ancient Math.

May Sri Ramakrishna, Holy Mother Sarada Devi and Swami Vivekananda's kind blessings be showered on you and your family is my prayer.

We are counting on your support. Any donations can be sent as per details mentioned in the appeal.
