Dear Devotee,

I offer my sincere namaskars to you.

Swami Vivekananda said: Education is the panacea for all social evils.

He also said, that education and training should be given in such a way that emotions and expressions come under control and thus become fruitful. With this in view, moral education is being given every day to poor students who come from the fishermen colony. This is in the form of prayer, meditation and devotional bhajans. Apart from this we are rendering to all students free subjects tuition, self skill education, personality development with many cultural activities. At the end of the programme they are given nutritious food and tonic. In addition to this we give them study materials, school uniform, school bags once a year. Every month we also provide them with toiletry items like soaps, washing powder etc. At present more than 50 students are availing of these felicities and are benefiting. Apart from this every year we give scholarships to higher class students from this locality. Other than this thousands of poor students from lower to higher classes are getting note books, pen-pencils and geometry boxes every year.

Some photos has been attached for your perusal.

To run the above activities we need 20 lakhs per annum. I humbly request you to donate generously for our noble endeavour. Then only will we be able to implement Swami Vivekananda's message, "Vidyadana".

Donations can be sent through State Bank of India, Koyilandy branch, Kerala. A/c no.

IFC code : SBIN0003338

May Sri Ramakrishna, Ma Sarada and Swami Vivekananda's blessings guide you to reach the Goal in this birth itself, is my earnest prayer.

Yours at the service of Sri Ramakrishna.

Swami Sundarananda
Sisir Maharaj

Adhakshy
