Dear Devotee,

Namaskars!

By the grace of Bhagavan Sri Ramakrishna, Ma and Swamiji, I hope you are all doing well.

You may know that Ramakrishna Math, Koyilandy, Kerala is more than a century old. Unfortunately, its infrastructure is very poor. There are no decent rooms for Monks' and Brahmacharis and because of this, Monks' are not willing to stay for a long time in Koyilandy math. As a result of these circumstances we are unable to render service towards society properly. We have planned to build a new Monks' quarter, so that Monks' and Brahmacharis can stay comfortably for doing Service and contemplation on God *Atmano mokshartham jagathitaya cha.*

We have attached an appeal for the proposed Monks' quarter, and I humbly request you to help us complete our project soon.

May Sri Ramakrishna Ma Sarada and Swamiji bless you and your family is my earnest prayer.

Yours in the service of the Lord

Swami Sundarananda
Adhyaksha
