Dear Sir,

Namaskars.

Ramakrishna Math, Koyilandy, Kerala is over a century year old. People in this area are poverty stricken and are influenced by other communities. Therefore, there are no volunteers who are willing to work for the welfare of our Math. Apart from these hurdles, our Math has stepped forward to render service towards humanity. Swami Vivekananda wanted Monks and Brahmacharis to carry on his motto '**Bahujana hitaya, bahujana sukhaya cha**' (energy spent for the good and happiness of others).

We have rendered different kinds of services during the year 2017-18 for humanity, especially in 3 districts- Kozhikode, Wanyad and Kannur in Kerala. In this regard we had brought out a brochure which is being attached for your perusal. The Bank details are given in the brochure. Donations may kindly be sent there.

I humbly request you to help us by donating generously and helping us succeed in our endeavour, so that we can follow Swami Vivekananda's motto in the true sense -- "**Service to man is service to God**". If possible, can be circulated of the same to your friends and relatives.

May Bhagavan Sri Ramakrishna, Holy Mother Sarada Devi and Swami Vivekananda's blessings be showered on you and the Trust is my earnest prayer.

Yours in the service of Humanity.

*Swami Sundarananda*
